

1:15-2:00 GRIEVING AND SELF-CARE

Presenter: Deanna Rymazewski, MSW, APSW, APHSW-C

This presentation covers the basics of grief: the process; common reactions; appropriate expectations; and healthy survivorship. Resources for grief and for bereavement are provided.

2:15-3:15 CLOSING KEYNOTE:

THEN THERE I WAS, TAKING OUT THE GARBAGE!

Presenter: Cori Marsh, DCS

Alzheimer’s and related dementia impacts every family differently. Cori will use her unique blend of humor and spirit to share ways to better understand the journey, share secrets of the caregiver and identify ways to cope.

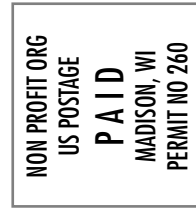

3:15-3:30 WRAP-UP/EVALUATIONS/CERTIFICATES

Presented by:

Grant County Dementia Care Network; Aging & Disability Resource Center-Southwest WI; Alzheimer’s & Dementia Alliance of Wisconsin; Edenbrook; Grant County Department of Social Services; Grant County Health Department; Home Care Select; Inclusa; Morningside Assisted Living; St. Croix Hospice; Agrace Hospice; and Sienna Crest-Platteville

Presenters

Dr. Thomas Loepfe, MD, M.S. is a Consultant at the Mayo Clinic Health System – La Crosse campus. He is an assistant professor of medicine in the Mayo Clinic School of Medicine. His geriatrics clinic Dementia Care Program has been ongoing since 1996. He is the La Crosse site leader for the UW-Madison WRAP research program.

Rev. Dr. Jade Angelica designs workshops, services, and trainings for "Healing Moments for Alzheimer's," and leads workshops all across the country. She has an M.Div. from Harvard Divinity School, a Certificate from the Shalem Institute Spiritual Guidance Program, and a D.Min. in Faith, Health and Spirituality from Andover Newton Theological School.

Angie Donovan is a care transition coordinator at St. Croix Hospice. She earned a master of organizational change leadership and a doctorate in business. She worked in a nursing center with a dementia unit and lost her mother to Alzheimer's.

Deanna

Rymaszewski is an Agrace Hospice Care Clinical Educator-Social Worker. She has a bachelor's degree in Spanish and a Master's in Social Work. She has worked with the elderly, physically disabled, terminally ill, and grieving families. Deanna develops grief and end-of-life programming.

Cori Marsh is currently the Dementia Care Specialist at the ADRC of Rock County. She has worked with those impacted by Alzheimer's disease and related dementia for over thirty years in a variety of settings. Cori was also a family caregiver.

WELCOME

Heather Moore, ADAW Dementia Outreach Specialist

8:45-9:45

OPENING KEYNOTE:

Alzheimer's disease: Understanding the Disease, Risk factors, and Prevention

Presenter: Dr. Loepfe, MD, M.S.

An overview of the symptoms, getting a diagnosis, medications, risk factors and prevention related to the disease.

9:45-10:00

BREAK/RESOURCE FAIR

10:00-11:00

INSPIRATIONAL KEYNOTE:

Hope and Healing for Alzheimers: An Invitation to Recognize the Inherent Worth and Dignity of Every Person

Presenter: Rev. Dr. Jade Angelica

The presentation is intended to open minds and hearts, to provoke thought about a difficult topic that touches many of us, and to offer some hope and consolation to those who accompany loved ones through the journey of diminishing capacities.

11:00-11:15

BREAK/RESOURCE FAIR

11:15-12:15

DEMENTIA CARE WITH SCENARIOS

Presenter: Angie Donovan, DBA, MOCL

Features real-life care scenarios that ask the question: "How can staff and families best care for those with dementia during behavioral episodes?" The scenarios include redirection tactics, professionalism, boundaries, adapting the environment and setting up residents for success.

12:15-1:15

LUNCH/NETWORKING/RESOURCE FAIR
