- 8:45 WORKSHOP OPENS**
- 8:55 WELCOME**
Heather Moore, ADAW Dementia Outreach Specialist
- 9:00-10:00 EFFECTIVE COMMUNICATION TECHNIQUES**
Presenter: Susan Wenker
Effectively communicating with a person who has dementia can be challenging. This session provides information to establish normal and pathological cognitive changes along with strategies to effectively communicate with people living with dementia. Participants leave with an action plan to engage positive communication with someone who has dementia
- 10:00-10:15 QUESTIONS & ANSWERS**
- 10:15-11:15 WHEN CARE BECOMES PERSONAL**
Presenter: Heather Moore
Learn everyday care approaches and techniques for those with a diagnosis. Look closely at ADLs such as eating, dressing, toileting and bathing. Learn ways to communicate while providing cares.
- 11:15-11:30 QUESTIONS / WRAP UP/ EVALUATIONS**

Presented by:

Grant County Dementia Care Network; Aging & Disability Resource Center-Southwest WI; Alzheimer's & Dementia Alliance of Wisconsin; Grant County Department of Social Services; Grant County Health Department; Home Care Select; Homeward Bound; Inlusa; St. Croix Hospice; and Agrace Hospice

Presenters

SARAH ENDICOTT, DNP, RN, GNP-BC

Clinical Associate Professor
University of Wisconsin-Madison School of Nursing

Sarah Endicott is a board-certified geriatric nurse practitioner with nearly 10 years' experience as an advanced practice nurse in rural Wisconsin. In the School of Nursing, Dr. Endicott is the Adult-Gerontology Primary Care Nurse Practitioner population lead, coordinating clinical placements and clinical curriculum for the track. She teaches a variety of both clinical and didactic courses in the Doctor of Nursing practice program, guest lectures on geriatrics in the community and on campus and developed two geriatric-focused interdisciplinary courses. As a clinical expert in geriatrics and dementia care, she has collaborated on large-scale research and quality improvement projects that have reached across the state. Dr. Endicott leads the Advance Practice Preceptor education workshop series in collaboration with the Office of Advance Practice at UW Health and the UW Madison Physician Assistant Program.

DENISE MONROE

IRIS Program Manager
Consumer Direct Care Network Wisconsin (CDCN)

Denise has spent over ten years working with and leading teams in the field of social work with a focus on mental health, brain injury, cognitive impairment, dementia, Medicare and Medicaid, Social Security, and direct care. Denise's career has spanned multiple states with differing and competing regulatory environments within the private and public sector. She received her Bachelors and Master's degree from Western Illinois University and is a certified Brain Injury Specialist.

SUSAN WENKER, PT, PHD

Assistant Professor
University of Wisconsin-Madison School of Medicine and Public Health
Department of Family Medicine and Community Health

Dr. Wenker earned a Bachelor of Science in Physical Therapy from the University of Wisconsin-La Crosse in 1991. She also earned a Master of Science in Continuing Vocational Studies from UW-Madison in 2002 and a Doctor of Philosophy with a distributive minor in Aging, also from UW-Madison in 2016. Dr. Wenker is an Assistant Professor with the University of Wisconsin-Madison Department of Family Medicine and Community Health and the Doctor of its Physical Therapy Program. She is a board-certified clinical specialist in geriatric physical therapy - emeritus and an advanced credentialed exercise expert for aging adults.

Heather Moore, LPN, CDP

Dementia Outreach Specialist
Alzheimer's & Dementia Alliance of Wisconsin

Heather has spent over 22 years in the healthcare field. She received her Associate degree for her Licensed Practical Nurse in 2002. She has nursing experience in Medical/Surgical, Emergency, Skilled Nursing and Memory Care over the past 19 years. Recently she became a Certified Dementia Practitioner through the NCCDP. Heather is also an active team member of the WAI Memory Diagnostic Clinic at Richland Hospital. Heather is currently the Dementia Outreach Specialist covering five Southwestern Wisconsin counties for the Alzheimer's & Dementia Alliance of Wisconsin. She facilitates support groups, memory cafes, dementia network meetings, as well as provides family and community education and supportive services to those affected by Alzheimer's disease or a dementia.
